Second Year eBook/Material List

2018/2019

- Students must order all eBooks in their chosen subjects through the Wriggle online store. The online store may be accessed from a link on the school website homepage. Details of store opening dates are also outlined on the school website homepage.
- **The relevant eBooks will automatically show as ‘ready to download’ on the Publishing company’s apps on the student’s iPad in August. Students should download the eBook over their home Wi-Fi before the start of the new school year to prevent congestion of the school Wi-Fi network.**
- If you are joining the school as a new entrant to 2nd year and purchasing eBooks for the first time, please buy a 2-year licence only for all books where possible. Some eBooks have a 3-year minimum licence while most can be purchased in 1, 2 or 3 year licences.
- Failure to purchase the required eBooks before the online store closing date will most likely result in your child starting the school year without their eBooks and that Wriggle may apply a late payment fee to those ordering eBooks after the store closing date.
- All students are required to provide school stationery, instruments, class materials and past examination papers as instructed by their teachers during the year.
- The School Journal is compulsory and the cost is included in the ‘Student Services’ payment.
